CD / DVD DISC

Design template
Full coverage print to centre hole
Duplication (for orders under 500)

Notes for duplicated CD / DVD disc

Please allow a bleed of 3mm, e.g. make your design 120mm x 120mm

Please supply all artwork files (tiff, jpeg, pdf etc) at 300 dpi.

All text must be 3mm away from the edge of the disc.

Remove all guides before sending to Duplication Station, and take out centre hole. We will replace before print.

Please do not use this template to 'trace' in your chosen art package.

Instead, set out artwork in your preferred software using the dimensions given as a guide.
